

Support and Rehabilitation

- **Support Systems:** The club encourages members struggling with substance abuse to seek support. Confidential assistance may be provided to those who request it.
- **Rehabilitation:** Members who voluntarily seek help for drug or alcohol issues will be supported in their rehabilitation efforts and may continue to participate in club activities upon demonstrating commitment to recovery.

Club Representation

- **Role Models:** Members are expected to be role models within the community, promoting healthy and positive behaviors while representing the club.
- **Ambassadors:** Represent the club with dignity and respect at all times, both on and off the field while acting in or with club stakeholders.

Conclusion

By adhering to this Drug and Alcohol Abuse Policy, you help maintain a safe, healthy, and positive environment at Reading XL FC.

Your cooperation and commitment are essential to the success and integrity of our club.
